

Check Application Status

After logging into your Neogov account you can view submitted applications and incomplete applications.

Your username indicates the number of in-progress applications, for example:

You can get more detailed status information for all applications by clicking on Applications & Status in the top menu bar (in the pulldown below your username).

- Use the Submitted button to see all applications that you have successfully submitted. For example:

A screenshot of the 'Applications' page. At the top, there are two tabs: 'Submitted' (highlighted in green) and 'Incomplete'. Below the tabs is a card for an application titled 'ACCOUNTING ASSISTANT II' in blue. Underneath the title, it says 'County of Riverside, California | Applied on: 04/09/2014 08:03 AM Pacific Time' and 'Application Received' with a star icon. A grey down arrow is on the right side of the card. At the bottom right of the card is a link 'View job listing'. Below the card, it says 'Viewing 1 of 1 applications'.

Click on the job title for more information. You can then use Job Postings to see the information on the job, and Application View to see the details of your application for this job.

You can also click on the down arrow  to see more information. This can include a summary of the steps in the hiring process process:
