How to log in to Enterprise Learning Management (ELM)

1. Go to https://elm.share.state.nm.us

2. Enter the same username and password you use to log into SHARE.

3. Click Sign In.

Having problems logging in?

1. Make sure you are entering your username correctly. Your username is your first name followed by a period (.) followed by your last name. It has to be in all capital letters. **Example:** JOHN.SMITH

2. Make sure you are entering your password correctly. Try logging into SHARE as you would to enter your time on your timesheet. If that works, your ELM login will work. If you cannot log in to your timesheet, contact DoIT for help.
