Qualifying Events (Change of Status)
- Change in job status of spouse/domestic partner resulting in loss of group coverage or gain of other coverage from new employment
- Change in nob status of employee (such as reduction of hours due to FMLA, LWOP, and Disability), or Part-time to Full-time, or vice versa
• Marriage or a change in marital status, such as divorce or legal separation, resulting in a loss of coverage. This includes satisfying requirements for Domestic Partnership eligibility
• Death of a member
• Birth of a child, a court approved adoption, placement for adoption, or legal guardianship. A newborn can be added on to benefits with the hospital proof of birth; however, if the employee does not submit an official birth certificate within 3 months of the date of birth, the baby will be retro-termed and the employee will be responsible to pay all incurred birth/baby-related expenses and claims. The result: because the baby was never covered (due to the retro-term), the baby is NOT eligible for COBRA. At future Open/Switch Enrollments, the baby can be added if an official birth certificate is provided
• Any other circumstance where the individual had other coverage and loses it due to circumstances beyond their control must be evaluated by RMD for eligibility

NOTE: Loss of a provider or provider group is not a qualifying event to change carriers

I acknowledge that it is my responsibility to review my bi-weekly pay advice to ensure the appropriate deductions are being deducted. If there are any concerns I am to contact Erisa Administrative Services, Inc. at (505) 244-6000.
