

How to log in to Enterprise Learning Management (ELM)

1. Go to <https://elm.share.state.nm.us>
2. Enter the same username and password you use to log into SHARE.
3. Click **Sign In**.

The screenshot shows the login interface for SHARE Enterprise Learning Management. At the top left, there are four icons: a power button, a bar chart, a speech bubble, and a dollar sign. To the right of these icons is the word "SHARE" in large, bold, orange letters, with "ENTERPRISE LEARNING MANAGEMENT" in smaller, white, uppercase letters below it. The login form consists of two input fields: "User ID" with the placeholder text "FIRSTNAME.LASTNAME" and "Password" with a masked password ".....". Below the password field is a red "Sign In" button. At the bottom of the form, there are two links: "Set Trace Flags" and "Need help? SHARE Information Center".

Having problems logging in?

1. **Make sure you are entering your username correctly.** Your username is your first name followed by a period (.) followed by your last name. It has to be in all capital letters.
Example: JOHN.SMITH
2. **Make sure you are entering your password correctly.** Try logging into [SHARE](#) as you would to enter your time on your timesheet. If that works, your ELM login will work. If you cannot log in to your timesheet, contact [DoIT](#) for help.
