

CWA - Employee Request for Union Time

Agency/Division
/

INSTRUCTIONS: Bargaining Unit (BU) Employees, means Employee, Steward, & Officer, should please complete this form to request time-off for approved union activities ("Union Time").

- Pursuant to the Collective Bargaining Agreement (CBA) the Employee must seek prior approval from their supervisor in order to take Union Time. The submission of this form is considered seeking prior approval.
- The Employee should provide: date of event, approximate amount of time to be spent, event location, and general purpose of the event.
- The employer may only deny a Union Time request for operational reasons or if the Employee is on overtime status. If the employer denies the request, they must include an explanation for the denial. Each request for Union Time should be considered on a case-by-case basis and each case should be considered on its own merits. If disapproval necessitates an extension of time for processing a grievance, the time shall be tolled for the duration of the denial until union time is afforded to the Employee to investigate and process the grievance.
- Upon return to work, the Employee will log the actual date(s) and time(s) of the Union Time taken.
