General Memorandum 2022-006

DATE: November 18, 2022
TO: Cabinet Secretaries, Agency Heads, Elected Officials &
Agency Human Resource Managers
FROM: L. Teresa Padilla, Director 
SUBJECT: Annual Leave and Personal Leave Days

This memorandum provides agencies with guidance relating to "using-or-losing" annual leave and personal leave days.

Annual Leave:

Subsection E. of 1.7.7.8 NMAC allows a maximum of 240 hours of annual leave to be carried forward after the last pay period beginning in December. Since the last pay period beginning in December starts on Saturday, December 24, 2022, employees will have until Friday, January 6, 2023, to use any Annual Leave hours over 240, before leave balances are reduced back to 240 hours. For example, if an employee has 244 hours on December 25, 2022, the employee must either use four (4) hours before January 7, 2023, or the four (4) hours will be lost. Note: The employee does not need to account for (or use) any leave they accumulate during the pay period ending January 6, 2023, since new leave accrual amounts will be added to the employee's balance after the system runs to adjust balances down to 240 hours.

Personal Leave Days:

Subsection C. of 1.7.7.17 NMAC states that personal leave days must be taken by December 31st of each year, or they will be lost. Eligible employees will have until December 31, 2022, to take the two (2) Personal Leave Days awarded in 2022, if they have not already done so. Note: An eligible employee is a person in the classified service who has completed their probationary period.
